Are you going to challenge me?
No, I'm not!

I just want to ask you something.
Do you know a girl who wears a butterfly-shaped eyepatch?

You got that right.
Looks like I have no choice but to fight.
If you want it, you gotta win it!
Hey! Information is crucial for rank hunters!
By the way, who is that girl?
She's just a spectator. Don't worry about her.

As I use little imagination, I can use 20% of my power for physical performance, 10% for clothing, and still have 70% left.
This is a graph showing the current consumption of our imagination.
What!?
Simply put, you waste too much of your power!
hiss
What are you saying!? Are you trying to attack my mentality?
No, it's just that you are stupid!
That is not going to work on me!
You are using bold moves continuously. If you use 70% of your power for it, you'll only have 30% left
70%
If you keep fighting as you are now, you will knock yourself out with one more move

…that only you have reasons not to lose?!
I'm also a main character!
I just can't lose here!
sob
I surrender.

I never knew that there was this much difference in power between rankers……
Lesson 5 "It's important to have the courage to give up"
Well done!
Ciao!
Well, try again when you get stronger.
My sister taught me these five lessons too.
Compared to my big sister, I'm still a child.
I couldn't reach her …
I'm weak

I heard from someone who actually saw the girl;
that the girl was wearing a butterfly-shaped eyepatch

That is enough ...
Thank you.
Yes, she is my dear friend.
Do you know the girl?
What's wrong? Are you crying?
